

Lobden Golf Club Dress Code Standards V1.2

Lobden Golf Club offers a sincere welcome to all members, visitors or social guests.

The following dress rules are for the guidance of Members, Authorised Representatives and Visitors and are intended to be open, understandable and workable and to be consistent with standards of dress considered acceptable at modern-day Golf Clubs, whilst still maintaining a high standard appropriate to a traditional Members Club.

The rules are not intended to be fully prescriptive, and are in some cases open to interpretation, but Members and Lobden Representatives are expected to take personal responsibility for observing standards of dress that reflect well on themselves and the Club. Visitors, visiting Societies, visiting Teams and those participating in Open Competitions are required to comply with these dress rules. It is up to Members to ensure that their individual guests are advised accordingly.

On the Golf Course Acceptable Dress

- Recognised golf clothing; as determined by convention including a collared shirt, must be worn at all times (hoodies are acceptable).
- Golf shoes with socks must be worn.
- Trousers, shorts or skirts must be tailored and, unless designed to be worn outside the waistband, shirts should be tucked in.

Unacceptable Dress Items that are not considered recognised golf clothing include:

- All denim,
- Trousers, Shorts - those of cargo / combat style or general walking pants,
- Beach or athletic wear,
- T-shirts / casual sports clothing
- Hats / caps worn askew.

Note that the golf course includes the putting green and warm up area adjacent to the 1st tee.

Members and Authorised Representatives are also requested to observe acceptable dress code in the club house on Competition Days / Open Days / Charity Golf Days / Club Days

Members (None golfing days), Authorised Representatives and Visitors in the Clubhouse a 'casual' dress code is considered to be dress that is respectful to the circumstances. It does not define the type of clothing but does require minimum standards of presentation.

We would consider that unacceptable dress in The Clubhouse includes;

- headwear (including hats and caps, but excluding headwear worn for religious reasons)
- flip-flops,
- obtrusive sports shirts (football, rugby, cricket etc). These are overly casual and disrespectful within the context of the golf club.
- Golf shoes of any kind may not be worn in the bar or lounge, and we also ask that you change out of any waterproofs, soiled or wet clothing before entering.

In addition to our dress code for the Clubhouse, please do not bring in kit bags of any type - please use the locker rooms or return them to your vehicle, feel free to use a mobile phone, tablet or laptop, but keep it on silent, and respect those around you and enjoy your day.

The committee would also kindly request that we avoid wearing work wear in the club house wherever possible, however do accept this is not always possible but kindly ask you respect the clubhouse and ensure that the workwear is clean.

If you have any doubt as to whether your standard of dress is compliant and to avoid further embarrassment, please ask a Member of Staff or change.
